To Whom It May Concern:

I am extremely happy to recommend to your attention Foresight Services, Inc. and Mr. Scott Voyles. Mr. Voyles has been a tremendous asset to me, the other administrators, and the school board. When I was hired as superintendent at District 12 it was quickly brought to my attention that we had serious problems with the school building. Scott quickly and professionally brought me up to speed on what the situation was. He has walked me through the entire process. He was truly my go to person on this project.

Scott is extremely knowledgeable, very professional, and totally trustworthy. He will help you with every phase of a project from the beginning to the final phase. I would recommend Foresight Services, Inc. and Mr. Scott Voyles for any project you would need help on. They are true professionals!

If I can be of any more assistance please do not hesitate to contact me at 618/526-7128, ext. 132.

Sincerely,

John Mullett

Superintendent
